

Subject: Grade 4 Social Sciences (Geography)

Topic: Social Sciences (Geography): Term 1 - Mini-Exam

Total: 66 Marks

1. water 3 marks

Explanation:

Water is a basic need, and all South Africans should have the right to obtaining clean water.

2. C: pedestrian bridge 2 marks

Explanation:

A pedestrian bridge is a bridge designed for pedestrians, and in some cases for cyclists, to cross very busy roads.

3. Janine 3 marks

Explanation:

Janine stays in a town or a city. This is an urban area where there are many buildings and roads.

4. Sollie 3 marks

Explanation:

Sollie lives in a village. A village is in a rural area. Most people in a village walk long distances to get to places.

5. false 2 marks

Explanation:

Only pedestrians are allowed on pavements.

6. false 2 marks

Explanation:

Needs are things that are needed in order to survive. A holiday house is not a need, but a want.

7. bricks | cement | mud | wood 8 marks

Explanation:

Building material is any material which is used for construction purposes. Many naturally occurring substances, such as clay, mud, rocks, sand, wood and even twigs and leaves, have been used to construct buildings. Paint and food cannot be used to construct a building.

8. left | right | straight | turn left | turn right | straight down 3 marks

Explanation:

Words like *left*, *right* and *straight* are used to help explain the way.

9. true 2 marks

Explanation:

He passes three types of landmarks, namely a church, a taxi rank and a tall oak tree.

10. C: energy 4 marks

Explanation:

Energy in the form of electricity is necessary, in order to be able to see after sunset.

11. false 2 marks

Explanation:

A yacht is not a need, but a want. It is used for pleasure.

12. true 2 marks

Explanation:

Many people sell fresh fruit and vegetables on the streets in South Africa.

13. C: Pineapple House 4 marks

Explanation:

This pineapple building is on a pineapple plantation in Bathurst. It was made by man.

14. D: village 4 marks

Explanation:

A **village** is made up of groups of huts or houses.

15. sand | tar 4 marks

Explanation:

A footpath is usually made of sand, unless it is a pavement. A pavement is made of tar or bricks (paving).

16. landmarks 3 marks

Explanation:

We notice these objects more than other objects.

17. false

2 marks

Explanation:

Most of our factories are found in cities.

Towns may have a few factories.

18. yes

3 marks

Explanation:

Footpaths are paths that people are able to walk on. This is an aerial view of a town. There would have to be footpaths next to the roads. We call these footpaths *pavements*.

19. B: A, B, C and D

4 marks

Explanation:

These are basic needs of all people, whether they live in rural or urban areas.

20. go straight down | bank | left

6 marks

Explanation:

Look at the key map to find out what the different symbols represent. The bank note represents the bank. All the streets are clearly marked.
