This text refers to question: 8, 9

Jonty leaves home at six o'clock every morning so that he is not late for school. He walks past a few houses and then turns right into Church Street. At the bottom of the road, where the church is, he turns right again and then passes the taxi rank. He then turns left into Smart Street where he waits for his friend under a tall oak tree. Together the two friends walk straight down the road into the front gate of the school.

Question 8: Text Input

3 marks
